PLAN OPTIONS

This product offers 4 plan options that you can choose from depending on your Protection and Savings needs:

A Level Cover

This plan option provides a level cover throughout the policy term.

B Level Cover with Capital Guarantee

This plan option provides a level cover throughout the policy term. The policyholder also gets a Capital Guarantee, which is in the form of minimum Assured Benefit at maturity.

C Decreasing Cover

Under this plan option, the cover would decrease with the policy year. This is subject to the 'Level Cover Period', chosen by the policyholder at policy inception.

D Decreasing Cover with Capital Guarantee

Under this plan option, the cover would decrease with the policy year. This is subject to the 'Level Cover Period', chosen by the policyholder at policy inception. The policyholder also gets a Capital Guarantee, which is in the form of minimum Assured Benefit at maturity.

The policyholder can choose any one of the above plan options, A, B, C & D at the outset. Plan option once chosen, cannot be altered throughout the policy term. Premium and Charges will vary depending upon the plan option chosen.

BENEFITS PAYABLE UNDER VARIOUS PLAN OPTIONS

A. Level Cover

This plan option provides a level cover throughout the policy term.

The benefits payable under this option are defined below:

Death Benefit

"Death Benefit" is payable as a lump sum if life assured dies during the policy term.

Subject to Policy being in force and all due premiums have been paid, the Death Benefit payable to the Policyholder/ Assignee/ Nominee shall be the highest of the following:

- (i) Total Sum Assured less partial withdrawals* made, if any (as detailed below), where Total Sum Assured is Basic Sum Assured plus any additional Sum Assured in respect of Top-ups; or
- (ii) Fund value, or
- (iii) 105% of Total Premiums Paid

For a reduced paid-up Policy, the Death Benefit payable to the Policyholder/ Assignee/ Nominee and shall be the highest of the following:

- (i) Paid up Sum Assured plus any additional Sum Assured in respect of Top-ups less partial withdrawals* made, if any (as detailed below); or
- (ii) Fund value; or
- (iii) 105% of Total Premiums Paid

*The partial withdrawals to be deducted from the Total Sum Assured shall be all partial withdrawals (except from the top-up fund value) made during the two-year period immediately preceding the date of death.

Upon this payment, the policy shall terminate and no further benefit shall be payable.

Where,

- Annualized Premium means the premium amount payable in a year excluding the taxes, rider premiums and underwriting extra premium on riders, if any.
- Basic Sum Assured is the amount of cover chosen by the policyholder at inception of the policy in accordance with terms and conditions of the Policy.
- Fund Value, is the value obtained by multiplying the number of Units allocated to your Policy by the corresponding price of the Units.
- Total Premiums Paid are the total of all the premiums received, excluding any rider premium and taxes.
- Paid-Up Sum Assured, is the original Sum Assured multiplied by the total number of premiums paid to the original number of premiums payable as per the terms and conditions of the policy. (Paid Up Sum Assured = Original Sum Assured * Total No. of Premiums Paid / Original No. of Premiums Payable).
- Minimum Basic Sum Assured, is 10 times the Annualized Premium
- Assured Benefit is the Total Premiums Paid less Total Partial Withdrawals made (if any)

Maturity Benefit

On survival of the Life Assured till the Maturity Date, subject to Policy being in-force on the Maturity Date, the risk cover shall cease and Fund Value at Maturity plus Loyalty Additions payable at Maturity shall be payable to the Policyholder as the maturity benefit.

Upon this payment, the policy shall terminate and no further benefits will be payable.

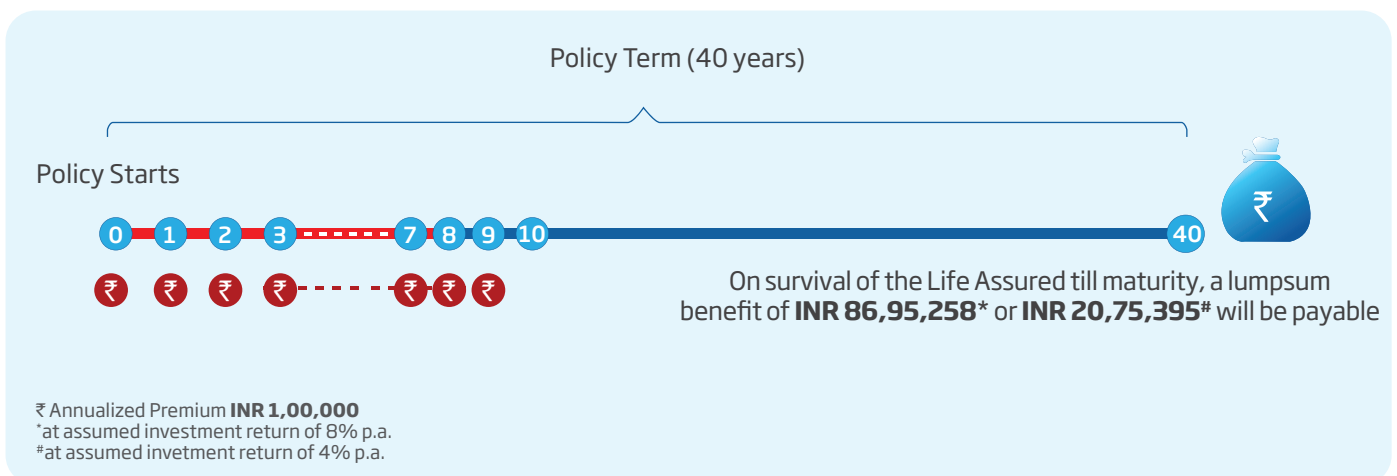

You can also take your fund value at maturity in periodical installments under settlement option. Please refer Settlement Option section below for more details.

Example: Mr. Kumar, a 30 years old gentleman, buys the Option A (Level Cover) of HDFC Life Smart Protect Plan for a policy term of 40 years, and a premium payment term of 10 years. He chooses a cover of INR 1,00,00,000 by paying a premium of INR 1,00,000 annually.

Mr. Kumar survives till the maturity (end of policy term) and receives a lump sum benefit of **INR 86,95,258**, at assumed investment return of 8% p.a., or **INR 20,75,395**, at assumed investment return of 4% p.a.

However, if Mr. Kumar dies during the policy term, his nominee will receive a lump sum benefit of INR 1,00,00,000 or Fund Value, whichever is higher, and the policy will terminate.

Total Premiums Paid: INR 10,00,000

Note: The assumed rates of returns (8% & 4%) are not guaranteed and they are not the upper or lower limits of what you might get back, as the value of the policy is dependent on a number of factors including future investment performance. The illustration is for a healthy male life. The values shown are for illustrative purpose only.

B. Level Cover with Capital Guarantee

This plan option provides a level cover throughout the policy term. The policyholder gets a Capital Guarantee in the form of minimum Assured Benefit on maturity.

The benefits payable under this option are defined below:

Death Benefit

“Death Benefit” is payable as a lump sum if life assured dies during the policy term.

Subject to Policy being in force and all due premiums have been paid, the Death Benefit payable to the Policyholder/ Assignee/ Nominee shall be the highest of the following:

- (i) Total Sum Assured less partial withdrawals* made, if any (as detailed below), where Total Sum Assured is Basic Sum Assured plus any additional Sum Assured in respect of Top-ups; or
- (ii) Fund value, or
- (iii) 105% of Total Premiums Paid

For a reduced paid-up Policy, the Death Benefit payable to the Policyholder/ Assignee/ Nominee and shall be the highest of the following:

- (i) Paid up Sum Assured plus any additional Sum Assured in respect of Top-ups less partial withdrawals* made, if any (as detailed below); or
- (ii) Fund value; or
- (iii) 105% of Total Premiums Paid

*The partial withdrawals to be deducted from the Total Sum Assured shall be all partial withdrawals (except from the top-up fund value) made during the two-year period immediately preceding the date of death.

Upon this payment, the policy shall terminate and no further benefit shall be payable.

Maturity Benefit

On survival of the Life Assured till the Maturity Date, subject to Policy being in-force on the Maturity Date, the risk cover shall cease and plus Loyalty Additions payable at Maturity Benefit shall be payable to the Policyholder.

The maturity benefit will be calculated as higher of (Fund Value at Maturity plus Loyalty Additions payable at Maturity, Assured Benefit), where Assured Benefit is equal to Total Premiums Paid less Total Partial Withdrawals made (if any).

Upon this payment, the policy shall terminate and no further benefits will be payable.

You can also take your fund value at maturity in periodical installments under settlement option. Please refer Settlement Option section below for more details.

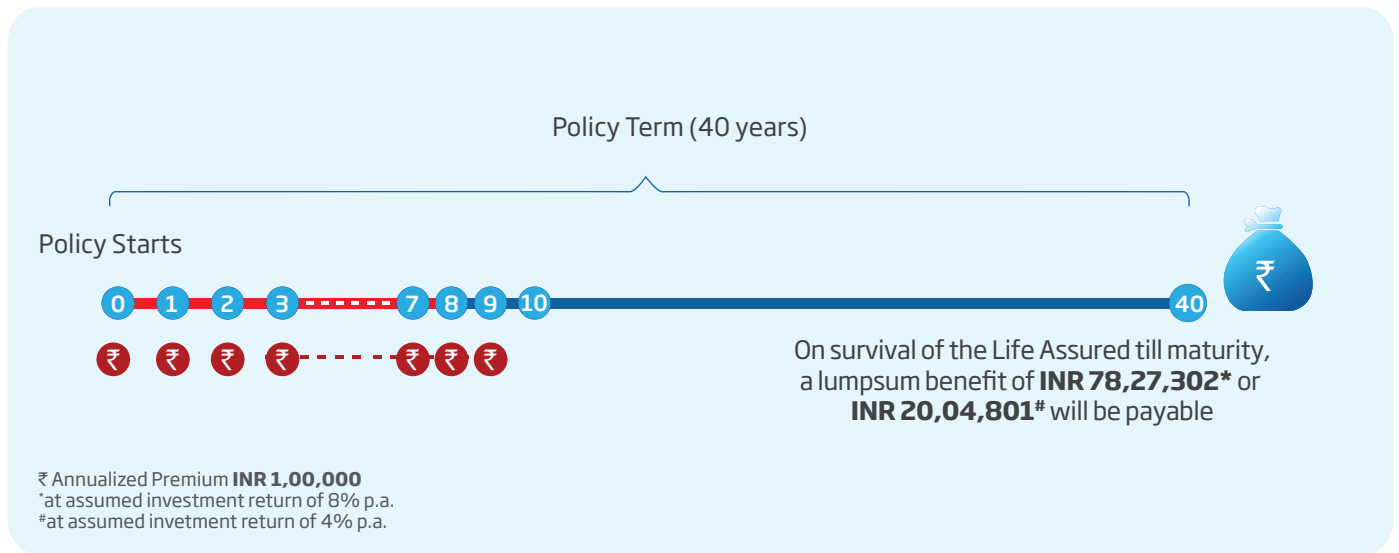

Example: Mr. Kumar, a 30 years old gentleman, buys the Option B Level Cover with Capital Guarantee of HDFC Life Smart Protect Plan for a policy term of 40 years, and a premium payment term of 10 years. He chooses a cover of INR 1,00,00,000 by paying a premium of INR 1,00,000 annually.

Mr. Kumar survives till the maturity (end of policy term) and receives a lump sum benefit of **INR 78,27,302**, at assumed rate of return of 8% p.a., or **INR 20,04,801**, at assumed investment return of 4% p.a.

Now say, at maturity, the market plummets and the fund value falls below INR 10,00,000. But even then, Mr. Kumar will get **INR 10,00,000** (assuming he hasn't made any partial withdrawals during the policy term) in lumpsum, as the minimum Assured Benefit on maturity.

However, if Mr. Kumar dies during the policy term, his nominee will receive a lump sum benefit of INR 1,00,00,000 or Fund Value, whichever is higher, and the policy will terminate.

Total Premiums Paid: INR 10,00,000

C. Decreasing Cover

Under this plan option, the cover would decrease every policy year, subject to the 'Level Cover Period', chosen by the policyholder at policy inception.

'Level Cover Period' is the period of initial policy year(s) during which cover would remain level. The Level Cover Period can be between PPT to (Policy Term less 5) years.

From the policy year following the 'Level Cover Period', the cover would decrease uniformly every year, subject to it being more than or equal to the Minimum Basic Sum Assured at any point of time.

The Sum Assured for any policy year throughout the policy term will be calculated as below:

During Level Cover Period

$$\text{Sum Assured}_{(t)} = \text{Basic Sum Assured}$$

Post Level Cover Period

$$\text{Sum Assured}_{(t)} = \text{Max of}$$

- a) $\text{Sum Assured}_{(t-1)} - (\text{Basic Sum Assured} \div \text{Reduction Term})$, or
- b) Minimum Basic Sum Assured

Where,

- t = policy year
- Reduction Term = Policy Term - Level Cover Period

The below table gives policy year wise cover amount (in Lac) for a few sample cases:

Policy Term	30 years	30 years	40 years	40 years
Annual Premium	0.5 lac	1 lac	0.30 lac	1 lac
Basic Sum Assured	20 lac	50 lac	7.5 lac	50 lac

*The partial withdrawals to be deducted from the Total Sum Assured shall be all partial withdrawals (except from the top-up fund value) made during the two-year period immediately preceding the date of death.

Upon this payment, the policy shall terminate and no further benefit shall be payable.

Maturity Benefit

On survival of the Life Assured till the Maturity Date, subject to Policy being in-force on the Maturity Date, the risk cover shall cease and Fund Value at Maturity plus Loyalty Additions payable at Maturity, shall be payable to the Policyholder, as the maturity benefit.

Upon this payment, the policy shall terminate and no further benefits will be payable.

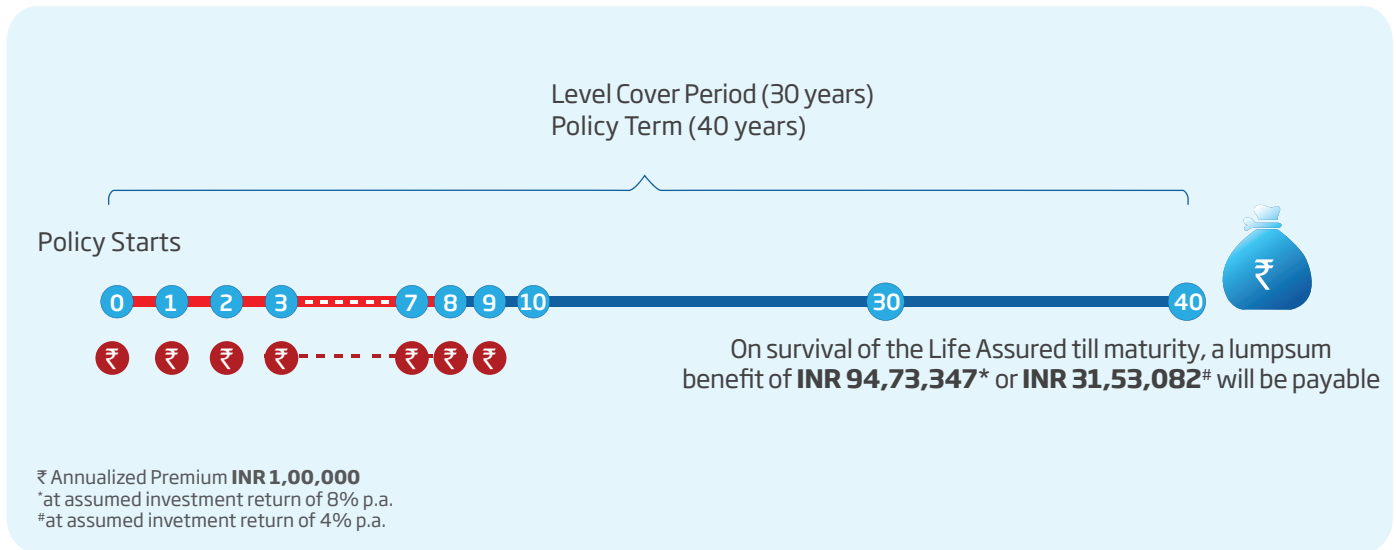

You can also take your fund value at maturity in periodical instalments under settlement option. Please refer Settlement Option section below for more details.

Example: Mr. Kumar, a 30 years old gentleman, buys the Option C Decreasing Cover of HDFC Life Smart Protect Plan for a policy term of 40 years, a premium payment term of 10 years, and a level cover period of 30 years. He chooses a cover of INR 1,00,00,000 by paying a premium of INR 1,00,000 annually. Mr. Kumar survives till the maturity (end of policy term) and receives a lump sum benefit of **INR 94,73,347**, at assumed rate of return of 8% p.a., or **INR 31,53,082**, at assumed investment return of 4% p.a.

However, if Mr. Kumar dies in the 25th policy year (during the level cover period), at age 55, his nominee will receive a lump sum benefit of **INR 1,00,00,000** or Fund Value, whichever is higher, and the policy will terminate.

But if Mr. Kumar dies in the 35th policy year (post the level cover period), at age 65, his nominee will receive a lump sum benefit of **INR 50,00,000** or Fund Value, whichever is higher, and the policy will terminate.

Total Premiums Paid: INR 10,00,000

D. Decreasing Cover with Capital Guarantee -

Under this plan option, the cover would decrease every policy year, subject to the 'Level Cover Period', chosen by the policyholder at policy inception. This option also provides Capital Guarantee in the form of minimum Assured Benefit on maturity.

'Level Cover Period' is the period of initial policy year(s) during which cover would remain level. The Level Cover Period can be between PPT to (Policy Term less 5) years.

From the policy year following the 'Level Cover Period', the cover would decrease uniformly every year, subject to it being more than or equal to the Minimum Basic Sum Assured at any point of time.

But if Mr. Kumar dies in the 35th policy year (post the level cover period), at age 65, his nominee will receive a lump sum benefit of **INR 50,00,000** or Fund Value, whichever is higher, and the policy will terminate.

Total Premiums Paid: INR 10,00,000

LOYALTY ADDITIONS

The product offers loyalty additions at different points during the policy term.

Where extra units are allocated, the allocation between the funds in the same proportion as the value of total units held in each fund at the time of allocation.

All additions shall continue till the policy is in force and all due premiums till date have been paid. The additions will not be applicable for the charges deducted towards additional top-up premiums.

The different loyalty additions offered are detailed below

1. Return of 2X to 3X Mortality Charge

- The product offers a return of 2 to 3 times of the mortality charges starting from policy year 11. The addition is in the form of extra units.
- At the end of each month starting from policy year 11, a multiple (2X or 3X) of the mortality charge (excluding underwriting extra premium and taxes), deducted in the month which is 120 months prior shall be added to the fund
- E.g. 2 times of the mortality charge deducted in the first policy month shall be added back in the 121st month., 2 times of the mortality charge deducted in the second policy month shall be added back in the 122nd month and so on until the end of the policy term.
- The multiple for return of mortality charge would vary depending on the policy year and is as given below:

Policy Year	Return of Mortality Charge Multiple
11 to 30	2X
31 to 40	3X

- This shall continue until end of the policy term and does not include the settlement period

2. Return of 2X Premium Allocation Charge

- 2 times the total Premium Allocation Charges (excluding taxes) shall be added back in the form of allocation of extra units.
- The addition will happen at the end of each of the years between 10 to 13 years.
- To elaborate, 2 times of the premium allocation charges collected deducted in policy year 1 will be added back to the fund at the end of in policy year 10, similarly 2 times of the premium allocation charge collected in policy year 2 will be added back to the fund at the end of policy year 11 and so on until the end of policy year 13.

3. Return of Fund Management Charge (FMC)

- At maturity, sum total of FMC charges (excluding taxes) collected throughout the policy term will become payable.

4. Return of 2X of Investment Guarantee Charge

- This will be available only under Option B (Level Cover with Capital Guarantee) and Option D (Decreasing Cover with Capital Guarantee).
- At maturity, 2 times of sum total of guarantee charges (excluding taxes) collected throughout the policy term will become payable.

NON-FORFEITURE BENEFITS

A) Discontinuance of Policy due to Non-Payment of Premiums

Under this plan you get a grace period from your premium due date to pay your premiums. This plan has a grace period of 15 days for monthly mode and 30 days for other modes. You are expected to pay your premiums through-out the policy term. During the grace period, the policy is considered to be in-force with the risk cover without any interruption.

The product shall have a lock-in period of five years from the date of inception of the policy.

Discontinuance of the policy during lock-in period

- a) Upon expiry of the grace period, in case of discontinuance of policy due to non-payment of premium, the fund value after deducting the applicable discontinuance charges shall be credited to the discontinued policy fund and the risk cover and rider cover, if any, shall cease.
- b) Such discontinuance charges shall not exceed the charges, stipulated in "Charges" section of this document. All such discontinued policies shall be provided a revival period of three years from

date of first unpaid premium. On such discontinuance, the company will communicate the status of the policy, within three months of the first unpaid premium, to the policyholder and provide the option to revive the policy within the revival period of three years.

- i. In case the policyholder opts to revive but does not revive the policy during the revival period, the proceeds of the discontinued policy fund shall be paid to the policyholder at the end of the revival period or lock-in period whichever is later. In respect of revival period ending after lock-in period, the policy will remain in discontinuance fund till the end of revival period. The Fund management charges of discontinued fund will be applicable during this period and no other charges will be applied.
- ii. In case the policyholder does not exercise the option as set out above, the policy shall continue without any risk cover and rider cover, if any, and the policy fund shall remain invested in the discontinuance fund. At the end of the lock-in period, the proceeds of the discontinuance fund shall be paid to the policyholder and the policy shall terminate.
- iii. However, the policyholder has an option to surrender the policy anytime and proceeds of the discontinued policy shall be payable at the end of lock-in period or date of surrender whichever is later.

The minimum guaranteed interest rate applicable to the 'Discontinued Policy Fund' shall be as per the prevailing regulations and is currently 4% p.a. The proceeds of the discontinued policy shall be paid only upon completion of the lock-in period.

Proceeds of the discontinued policies means the fund value as on the date the policy was discontinued, after addition of interest computed at the interest rate stipulated as above.

The excess income earned in the discontinued fund over and above the minimum guaranteed interest rate shall also be apportioned to the discontinued policy fund in arriving at the proceeds of the discontinued policies and shall not be made available to the shareholders.

Discontinuance of the policy after the lock-in period

- a) Upon expiry of the grace period, in case of discontinuance of policy due to non-payment of premium after lock-in period, the policy shall be converted into a reduced paid up policy with the paid-up Sum Assured i.e. original Sum Assured multiplied by the total number of premiums paid to the original number of premiums payable as per the terms and conditions of the policy. The policy shall continue to be in reduced paid-up status without rider cover, if any. All charges as per terms and conditions of the policy shall be deducted during the revival period. However, the mortality charges shall be deducted based on the reduced paid up Sum Assured only.
- b) On such discontinuance, the company will communicate the status of the policy, within three months of the first unpaid premium, to the policyholder and provide the following options:
 - (1) To revive the policy within the revival period of three years, or
 - (2) Complete withdrawal of the policy.
- c) In case the policyholder opts for (1) above but does not revive the policy during the revival period, the fund value shall be paid to the policyholder at the end of the revival period.
- d) In case the policyholder does not exercise any option as set out above, the policy shall continue to be in reduced paid up status. At the end of the revival period the proceeds of the policy fund shall be paid to the policyholder and the policy shall terminate.
- e) However, the policyholder has an option to surrender the policy anytime and proceeds of the policy fund shall be payable.

B) Revival of Discontinued Policies

The revival period for this product is three years from date of first unpaid premium.

Revival of a Discontinued Policy during lock-in Period

- a) Where the policyholder revives the policy in accordance with Board approved Underwriting policy (BAUP), the policy shall be revived restoring the risk cover, along with the investments made in the segregated funds as chosen by the policyholder, out of the discontinued fund, less the applicable charges as in sub-section (b) below, in accordance with the terms and conditions of the policy.

- b) At the time of revival
- all due and unpaid premiums which have not been paid shall be payable without charging any interest or fee.
 - policy administration charge and premium allocation charge as applicable during the discontinuance period shall be levied. Guarantee charges, if applicable during the discontinuance period, shall be deducted provided the guarantee continues to be applicable. No other charges shall be levied.
 - the discontinuance charges deducted at the time of discontinuance of the policy shall be added back to the fund.

Revival of a Discontinued Policy after lock-in Period

- The policyholder can revive the policy subject to BAUP. Where the policyholder revives the policy, the policy shall be revived restoring the original risk cover in accordance with the terms and conditions of the policy.
- At the time of revival:
 - all due and unpaid premiums under base plan which have not been paid shall be payable without charging any interest or fee. The policyholder also has the option to revive the rider.
 - premium allocation charge as applicable shall be levied. The guarantee charges shall be deducted, if guarantee continues to be applicable.
 - No other charges shall be levied.

CHOOSE YOUR INVESTMENT STRATEGY

This is a unit linked plan; the premiums you pay in this plan are subject to investment risks associated with the capital markets. The unit prices of the funds may go up or down, reflecting changes in the capital markets.

HDFC Life Smart Protect Plan provides you different fund options, giving you complete control over your money.

Each fund has its own asset allocation structure. Equity based funds invest in stock markets while debt-based funds invest primarily in safe and liquid instruments like bonds and government securities for secured growth. You can decide your allocation ratio between these funds and also switch between funds using fund switching option at any time.

A. For Plan Option A (Level Cover) and Plan Option C (Decreasing Cover)

For Option A (Level Cover) and Option C (Decreasing Cover), the following 5 fund options are available under the product. Policyholder may choose to put his/her premiums in one or more of these funds in the proportion he/she desires and can change this allocation during the policy term.

- Policyholder can allocate all or some part of his premium in Bond Fund and transfer a fixed amount in regular monthly installments into any one of the following funds: Diversified Equity Fund, Equity Advantage Fund, Discovery Fund or Sustainable Equity Fund.
- The transfer will be done in 12 equal installments. The transfer date can be either 1st or 15th of every month as chosen by the Policyholder.
- At the time of transfer, the required number of units will be withdrawn from the fund chosen, at the applicable unit value, and new units will be allocated in the chosen destination fund.
- The minimum transfer amount is Rs. 5,000.

- The Systematic Transfer Plan will be regularly processed for the Policyholder till the Company is notified, through a written communication, to discontinue the same. Systematic Transfer Plan will not apply if the source Fund Value is less than the chosen transfer amount.
- No additional charges apply on selecting Systematic Transfer Plan.

FLEXIBILITIES

A) Switching

- Option to switch funds is available under Option A (Level Cover) and Option C (Decreasing Cover).
- Under this option, you have an option to switch your investment or a part thereof from one fund to another fund(s) available under this product during the Policy Term.
- You can ask us to switch the Funds in which your Units are held. To do this, we will first cancel all of your existing Units. We will then use the proceeds from the cancelled Units, after deducting the applicable charge, to buy Units in your chosen Fund or Funds.
- You may choose any investment linked Fund which is available to this product and which we have not withdrawn or closed.
- Switching between funds is allowed for unlimited number of times.
- There are no Switching Charges applicable under this product.

B) Premium Redirection

- Premium Redirection is available under Option A (Level Cover) and Option C (Decreasing Cover).
- It allows you to allocate your future premiums to a different fund or set of funds.
- The Funds in which new Premiums are invested can be changed at any time by You. You can ask for some or all of your future Premiums to be allocated to Units in different fund or set of funds that are available to this product. Premiums will only be applied as per the revised instructions if we accept those instructions before the Cut-off time for that Premium.
- We will act on instructions to change the Fund choice for future Premiums subject to receipt of all necessary information required to process the change of Fund and our satisfaction that the information received is correct.
- Premium Re-direction will not be allowed if Systematic Transfer Plan (STP) is chosen.
- There are no Premium Redirection Charges applicable under this product.

C) Partial Withdrawal: Accessing your Money in case of Emergencies

You have the option to withdraw money from your funds to meet any future financial emergencies, through Partial Withdrawals.

- (1) Partial Withdrawals are subject to the following conditions:
 - The partial withdrawal shall be allowed only after the completion of five policy years.
 - The Life Assured is at least 18 years of age.
 - You can also submit a request for systematic (recurring) partial withdrawals during the Policy Term by specifying the amount, frequency and duration of withdrawal.
 - Top-up premiums once paid cannot be withdrawn from the fund for a period of 5 years from the date of payment of the Top-up premium, except in case of complete surrender of the Policy
 - Partial withdrawals made shall be allowed from the fund built up from the top-up premiums, if any, as long as such fund supports the partial withdrawal and subsequently, the partial withdrawals may be allowed from the fund built up from the base premium.
 - The partial withdrawals with respect to the fund values from the base premiums shall only be counted for the purpose of adjusting the Sum Assured to be payable on death. Partial withdrawals made from the top-up premiums shall not be deducted for this purpose.
 - The partial withdrawals shall not be allowed if it would result in termination of a contract.
- (2) Following a Partial Withdrawal, the Policy continues to be in-force and all benefits under the product and conditions remain unaltered.
- (3) We will deduct any taxes and/or levies from payments if we are required to do so by the relevant authorities.
- (4) There are no Partial Withdrawal Charges applicable under this product.

D) Top-Up Premium

The amount of premium that is paid by the policyholders at irregular intervals besides basic regular premium payments stated in the contract and is treated as single premium for all purposes.

The Policyholder has the option of paying Top-up premiums, provided the policy is in force, subject to all the following conditions:

- This is only available under Option A (Level Cover) and Option C (Decreasing Cover).
- Top-Up premiums can be paid as long as all due premiums have been paid.
- Top-Up premiums are not permitted during the last 5 years of the contract.
- The minimum Top-up amount is Rs. 5,000.
- Acceptance of Top-Up Premium is subject to prevailing underwriting rules.
- Top-Up premiums can be allocated in any proportion between the funds offered as chosen by the policyholder.
- Every Top-Up Premium will have a lock-in period of five years from the date acceptance of such Top-Up premiums except in case of complete withdrawal of policy.
- Total top-up premiums paid, at any point of time, during the policy term, shall not exceed the sum total of the regular premiums paid at that point of time.
- Top-Up premiums are subject to charges as described below.

E) Settlement Option

The Policyholder can avail of the settlement option for maturity benefit, subject to the following conditions:

- The Policyholder has the option to take the Fund Value payable as Maturity, in lumpsum or in periodical instalments over a Settlement Period which may extend to a maximum of 5 years after the Maturity Date
- The first instalment under settlement option shall be payable on the date of maturity.
- To be eligible to avail the settlement option, the Fund Value at Maturity should be greater than or equal to Rs 1 Lakh.
- The Policyholder shall be given a choice to decide the payout frequency and the settlement period at the time of opting for the settlement option. The payout frequency and the settlement period once selected cannot be altered any time.
- The proportion of units redeemed per instalment shall be the number of units available at instalment payout date divided by the number of outstanding instalments.
- In case of settlement period after maturity, the risk cover will be maintained at 105% of the total premiums paid. Accordingly, mortality charges will be deducted. The death benefit shall be the higher of:
 - Fund value as on date of death
 - 105% of Total premiums paid
- The charges levied on the Fund during the settlement period are the Fund Management Charge Switching Charge and Mortality charges, if any. The company will not levy any other charges.
- Switches will be allowed during the Settlement period.
- Partial Withdrawal shall not be allowed during the settlement period.
- During the settlement period, the Policyholder shall have an option to completely withdraw the entire fund value at any time, without any additional charge.
- During this Settlement Period, the investment risk on the Unit Fund will be borne by the Policyholder. The value of periodical payments will depend on the performance of the Funds selected for investment.
- Any Fund Value remaining after 5 years from the Maturity Date will be payable immediately.
- No further benefits will be payable after this payment.

F) Option to Reduce Sum Assured

At any policy anniversary, the Policyholder will have the option to reduce Sum Assured subject to the following conditions:

- This would be subject to the minimum Sum Assured limits under the plan as per the eligibility conditions
- If opted under Option C (Decreasing Cover) or Option D (Decreasing Cover with Capital Guarantee), the Policy will continue with reduced Sum Assured as calculated under this option and no further decrease of Sum Assured as per Option C (Decreasing Cover) or Option D (Decreasing Cover with Capital Guarantee) will be applicable.
- In case there is/are any rider(s) attached, the Sum Assured under base plan has to be at least equal to the rider Sum Assured
- The request for reducing the Sum Assured should be submitted to the Company at least 15 days before, but not earlier than 60 days from the policy anniversary.

CHARGES

Premium Allocation Charge

This is a premium-based charge and depends on year of allocation. After deducting this charge from your premiums, the remainder is invested to buy units.

The Premium Allocation Charge is guaranteed for the entire duration of the policy term and shall be levied at the time of receipt of premium.

Policy Year	Year 1	Year 2	Year 3	Year 4	Year 5+
Annualized Premium < 2.5 lacs	12%	6%	4%	3%	0%
Annualized Premium >=2.5 lacs	11%	5%	4%	3%	0%

Premium allocation charge of 2% shall be levied on top-up premiums.

Policy Administration Charge

This charge is a percentage of the annualized premium. The charge will be deducted monthly to provide administration for your policy. This charge will be taken by cancelling units proportionately from each of the fund(s) you have chosen.

Policy Year	% of Annualized Premium charged per month
Year 1 to 4	Nil
Year 5 and subsequent years	0.32% per month of the annualised premium increasing at 5% per annum on each policy anniversary

The policy administration charge will be subject to the cap of Rs. 500 per month. This charge is guaranteed for the entire duration of the policy term.

Fund Management Charge

The daily unit price is calculated allowing for deductions for the fund management charge, which is charged daily.

1.35% p.a. of the fund value for all the funds, charged daily.

The Fund Management Charge for Discontinued Policy Fund shall be 0.50% p.a.

Mortality Charge

Every month we levy a charge for providing you with the death benefit in your policy. This charge will be taken by cancelling units proportionately from each of the fund(s) you have chosen.

The amount of the charge taken each month depends on your age and level of cover.

Mortality Charge is calculated as Sum at Risk (SAR) multiplied by the applicable Mortality Charge Rate for the month, based on the attained age of the Life Assured. The Sum at Risk for Life Assured is Death Benefit less Fund Value.

This charge is guaranteed for the entire duration of the policy term.

Investment Guarantee Charge

This will be applicable only for Option B (Level Cover with Capital Guarantee) and Option D (Decreasing Cover with Capital Guarantee). This will be charged on a daily basis, as a % of Fund Value.

Fund	Investment Guarantee Charge
Capital Growth Fund SFIN - ULIF06301/04/15CapGrwthFd101	0.50% p.a.
Capital Secure Fund SFIN - ULIF06401/04/15CapSecFund101

- (2) Where the nominee is a minor, the policyholder may appoint any person to receive the money secured by the policy in the event of policyholder's death during the minority of the nominee. The manner of appointment to be laid down by the insurer.
- (3) Nomination can be made at any time before the maturity of the policy.
- (4) Nomination may be incorporated in the text of the policy itself or may be endorsed on the policy communicated to the insurer and can be registered by the insurer in the records relating to the policy.
- (5) Nomination can be cancelled or changed at any time before policy matures, by an endorsement or a further endorsement or a will as the case may be.
- (6) A notice in writing of Change or Cancellation of nomination must be delivered to the insurer for the insurer to be liable to such nominee. Otherwise, insurer will not be liable if a bonafide payment is made to the person named in the text of the policy or in the registered records of the insurer.
- (7) Fee to be paid to the insurer for registering change or cancellation of a nomination can be specified by the Authority through Regulations.
- (8) A transfer or assignment made in accordance with Section 38 shall automatically cancel the nomination except in case of assignment to the insurer or other transferee or assignee for purpose of loan or against security or its reassignment after repayment. In such case, the nomination will not get cancelled to the extent of insurer's or transferee's or assignee's interest in the policy. The nomination will get revived on repayment of the loan.
- (9) The provisions of Section 39 are not applicable to any life insurance policy to which Section 6 of Married Women's Property Act, 1874 applies or has at any time applied except where before or after Insurance Laws (Amendment) Act 2015, a nomination is made in favour of spouse or children or spouse and children whether or not on the face of the policy it is mentioned that it is made under Section 39. Where nomination is intended to be made to spouse or children or spouse and children under Section 6 of MWP Act, it should be specifically mentioned on the policy. In such a case only, the provisions of Section 39 will not apply.

I) Assignment as per Section 38 of the Insurance Act 1938 as amended from time to time

- (1) This policy may be transferred/assigned, wholly or in part, with or without consideration.
- (2) An Assignment may be effected in a policy by an endorsement upon the policy itself or by a separate instrument under notice to the Insurer.

- (3) The instrument of assignment should indicate the fact of transfer or assignment and the reasons for the assignment or transfer, antecedents of the assignee and terms on which assignment is made.
- (4) The assignment must be signed by the transferor or assignor or duly authorized agent and attested by at least one witness.
- (5) The transfer or assignment shall not be operative as against an Insurer until a notice in writing of the transfer or assignment and either the said endorsement or instrument itself or copy thereof certified to be correct by both transferor and transferee or their duly authorized agents have been delivered to the Insurer.
- (6) Fee to be paid for assignment or transfer can be specified by the Authority through Regulations.
- (7) On receipt of notice with fee, the Insurer should Grant a written acknowledgement of receipt of notice. Such notice shall be conclusive evidence against the insurer of duly receiving the notice.
- (8) The Insurer may accept or decline to act upon any transfer or assignment or endorsement, if it has sufficient reasons to believe that it is (a) not bonafide or (b) not in the interest of the policyholder or (c) not in public interest or (d) is for the purpose of trading of the insurance policy.
- (9) In case of refusal to act upon the endorsement by the Insurer, any person aggrieved by the refusal may prefer a claim to IRDAI within 30 days of receipt of the refusal letter from the Insurer.

Section H (Nomination) and I (Assignment or Transfer) are simplified versions prepared for general information only and hence are not comprehensive. For full texts of these sections please refer to Section 38 and Section 39 of the Insurance Act, 1938 as amended by The Insurance Laws (Amendment) Act, 2015.

J) Prohibition of Rebates: In accordance with Section 41 of the Insurance Act, 1938 as amended from time to time

- (1) No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take out or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the policy, nor shall any person taking out or renewing or continuing a policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectuses or tables of the insurer.
- (2) Any person making default in complying with the provisions of this section shall be liable for a penalty which may extend to ten lakh rupees.

K) Non-Disclosure: In accordance with Section 45 of the Insurance Act, 1938 as amended from time to time

- (1) No policy of life insurance shall be called in question on any ground whatsoever after the expiry of three years from the date of the policy, i.e., from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later.
- (2) A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground of fraud: Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision is based.
- (3) Notwithstanding anything contained in sub-section (2), no insurer shall repudiate a life insurance policy on the ground of fraud if the insured can prove that the mis-statement of or suppression of a material fact was true to the best of his knowledge and belief or that there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of a material fact are within the knowledge of the insurer: Provided that in case of fraud, the onus of disproving lies upon the beneficiaries, in case the policyholder is not alive.
- (4) A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground that any statement of or suppression of a fact material to the expectancy of the life of the insured was incorrectly made in the proposal or other document on the basis of which the policy was issued or revived or rider issued: Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision to repudiate the policy of life insurance is based: Provided further that in case of repudiation of the policy on the ground of misstatement or suppression of a material fact, and not on the ground of fraud, the

premiums collected on the policy till the date of repudiation shall be paid to the insured or the legal representatives or nominees or assignees of the insured within a period of ninety days from the date of such repudiation.

(5) Nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the Life Insured was incorrectly stated in the proposal.

L) A policyholder can now have his life insurance policies in dematerialized form through a password protected online account called an electronic Insurance Account (eIA). This eIA can hold insurance policies issued from any insurer in dematerialized form, thereby facilitating the policy holder to access his policies on a common online platform. Facilities such as online premium payment, changes in address are available through the eIA. Furthermore, you would not be required to provide any KYC documents for any future policy purchase with any insurer.
